The ID Guide
by Project ID

Need an ID?

Free, step-by-step help to get your birth certificate, Social Security card, and state ID, in every state.

- What each state needs, what it costs, and where to send it
- What to do if you have no documents at all
- Local organizations that help people get IDs
- Guides for caseworkers and anyone helping someone else

Scan with your phone camera, or go to

theidguide.org

Jump to your state: add its two letters, like **theidguide.org/oh**

También en español: **theidguide.org/es**

Free. No sign-up. Works on any phone.
